Skin-Protecting Technology

USE CODE ZGENSAVE

## Protect Your Hands This Winter

Save on any size Box of Z-Gen Gloves simply by adding  
promo code **ZGENSAVE** to your cart during checkout.

**SHOP NOW>**

Cold weather, frequent handwashing, and prolonged glove use can take a toll on your skin. Z-GEN Nitrile Examination Gloves are treated with COATS® technology, featuring colloidal oatmeal—a USP skin protectant—designed to help relieve dryness and irritation while creating a natural moisture barrier during extended wear.
